FIRST MERCHANTS COMMERCIAL BANKING

You will receive a new screen prompting you to enter your password.

- 5. Enter Password.
- 6. Click Log In. If this is the first time you are logging in follow the prompts to change your password.

You will be presented with options to receive a secure access code (SAC verification) via text or phone call to a number listed in your online banking profile.

7. Select your preferred option.

First Merchants Bank Helping you prosper
 Choose your preferred method for receiving a verification code.
Back

8. Enter the verification code you received.

First Merchants Bank Helping you prosper
Enter your 6-digit authentication code below.
Secure Access Code
Back Submit

9. Click Submit

You can opt to register the computer you are using if it is a personal or business computer you use frequently to access online banking. This will minimize the need to complete the SAC verification process with each login. We recommend you do not register a public or shared device.

After a successful login, the Home page appears.

FIRST MERCHANTS COMMERCIAL BANKING

Installing the mobile banking app

You can download the app from the Apple App Store or the Google Play store.

Caution: You should only download and install the app from the Apple App Store or the Google Play store. In the store, verify that First Merchants Bank is listed as the developer of the app. You should also verify that the Bank's name is spelled correctly.

To install the app

- 1. Do one of the following:
 - a. On an iOS device, open the Apple App Store.
 - b. On an Android device, open the Google Play store.
- 2. Search for First Merchants Bank and install the app (FMBBanking).

FMBBanking

Opening the mobile banking app

After installing the app, locate the app on your device, tap the **FMBBanking** icon to open the app. Biometric authentication is available and can be used if it is enabled on your mobile device.
